January 2021

**NOTICE:** Our team will come to any prison or jail anyone out there can get us in (or out to preach through the fence)...anywhere.

Dear Friends,

Well, I think the “notice” pretty much sums up 2020 for us. I still have two alternating doors open in two local county jails, depending on which one is battling a COVID outbreak.

Despite not being in one prison since March, the combined efforts of our team yielded 211 souls for our Lord and Saviour, Jesus Christ, the King of kings and Lord of lords (1 Tim. 6:15).

**PRISON BIBLE SCHOOL REPORT:** As stated, earlier, Prison Bible School is growing, primarily due to student transfers. When I was in prison (released in 1972), there was no such thing as a convict transfer to another prison. Now folks behind bars with say a 5-year sentence could be in 3 different institutions before being released.

**Eric W.** is a graduate of Prison Bible School who was released after 27 years recently. He spent his last few years teaching and helping many others locked up before going home in GA. I had the privilege of meeting and lunching with him this December at one of my supporting churches in that state. He is in a great church with a real pastor. Please pray for Eric to be faithfully used. He is a real trophy of Prison Bible School. While incarcerated he earned his doctorate, has authored 4 books to date, and has everything right (John 7:17).

**Prison & Jail Report:** Calhoun Co. Jail, Anniston, AL – **51 saved (11 women & 40 men).**

A soldier for Christ,

Dr. Dave Turner,  
Director

**NOTICE: AS ALWAYS, ANY SUPPORTING CHURCH THAT WANTS TO HEAR FROM US, JUST LET ME KNOW AND I WOULD BE GLAD TO SET UP A TIME TO COME AND REPORT.**

## **STUDENT TESTIMONIES:**

### **Basic Training for Christian Soldiers**

Thank you for your study and the work you do for Christ. This booklet has been a blessing to me, and I will pass it on. I gave my heart to Christ several years ago one day when out with my church to share the Gospel. On that day, the only one saved was the one that was supposed to be sharing. I'd been working in the church, but on that day I discovered I was the one most needing salvation. I have failed my Lord miserably since then on many occasions, but praise the Lord, He never gave up on me.

-Teresa C.

### **Creation Week**

There's still a lot I don't understand, but this lesson has given me a deeper revelation on marriage. I'm the one responsible for whatever takes place in my household. "That's deep"!

-Darren C.

### **Complete Salvation**

Wow!!! This has been like a mirror to me. A lot of what I have read explains why so much used to happen to me and also how my wrong motives for salvation only fooled me in the end.

-Victor H.

### **Iniquity, Sin, & Transgression**

This shed light on a particular subject I recently had a conversation about with someone (the degrees of wickedness in sin). I didn't have the proper answer until I reached the "Degrees of Sin" portion. Praise God for always having me the answer.

-Phillip G.

### **Christian Principles in Finance**

This study taught me how to stay out of debt by budgeting and not using credit. I just balanced my small budget here, and my family outside does it God's way by following His book. We all thank you.
