October 2021

Dear Friends,

We are encouraged that a few more penal institutions have trickled open since our last report, along with promises from other chaplains. Our team is waiting with bated anticipation for the former normalcy.

We are grateful for what open doors we have been afforded since this pandemic began. We are most thankful to be the only prison ministry we are aware of anywhere that has not ceased to bring forth fruit since all this mess began, and we pray that our “fruit should remain” (John 15:16).

Prison Bible School continues to grow and prosper as we facilitate all our Bible colleges by mail. The repeat offender rate last year for our Bible graduates was 1.7%. This has never exceeded 2% since its inception in 1993.

Thank you for your confidence in Gulf Coast Prison Ministries...it's very special to us.

Basic Training for Christian Soldiers

Thank you so much for the chance to start these studies. Since I started, I have noticed my overall demeanor has been so much better. It is so easy to let this place and some of these people get under your skin after being here for a while. Thank you so much again.

By Faith Through Faith

I really enjoy these Bible studies. You really have to watch the wording, or it will cause you to answer wrongly. I am just beginning to follow the Lord, and it's wonderful. Thank You, Lord Jesus!!!

Dealing with Discouragement

I loved doing these Bible studies. We thank you for your spirit, love, and zeal for those thought to be without hope.

The Turn

Most helpful, as always. New insight. Praise the Lord our God! Praise Jesus! Love ya'll, sister and brother in Christ. Keep evangelizing!

Drugs & the Spirit

This has been a surreal and for-real spiritual eye opener that's one of those you-would-not-have-thought-of kind of things. My sister died Wednesday, broken hearted, broken mind, dependent on those prescriptions. Thank you, God. Bless you.

Iniquity, Sin & Transgression

I learned how that iniquity messes with our hearts and minds. Thank God for a new creature in Christ. A great teaching book. Enjoyed it greatly. Thank you.

The Narrow Place

I learned the real importance of confining positions. What an awesome God! Thanks again, God used you well, sir. Your message sure hit the mark. God sends His chosen messengers to deliver His Word.
